We welcome athletes from around the world to
train at the DITC in preparation for international
competitions, and ultimately the **Olympic Games**.

Our Sports Director and our Coaches will custom
tailor athletes' programs for either short or
long-term training at the DITC in each of the
5 disciplines we specialize in. If athletes select
to train and **further their education**,
there is a pool of 13 colleges and universities
in metro Atlanta to choose from.
